

Denise Liebig

Historical Fiction with a
Twist!

Denise Liebig writes historical fantasy fiction filled with modern characters who experience the past through time travel, reincarnation, the supernatural, and other twists of time.

A fan of everything vintage, her desire to be a fly-on-the-wall during the early 1900s inspired her to write the books of *The Dear Maude Trilogy* and the companion novella, *Sophia*. Her other books include *Remembering Skye*, and her latest, *The Forget-Me Knot*.

When she's not imagining stories about the past and writing them down, Denise lives in the present with her husband and three kids.

Twist!

Dear Maude

Time Travel | Adventure | Romance | Historical Fantasy Fiction

Upstate New York, 2012.

Emily Stanton, a sociology major, graduates from college and is obligated to work for the mysterious company that funded her education. But a job with Evergreen Research Corporation is not what she expects.

From fancy balls and operas to corsets and kid gloves, Emily learns to be a specialist in 1910 society. In the process, she finds herself fully immersed in the lives of wealthy aristocrats and industry leaders, whose thirst for power leads them to manipulate everything, including time. Thrust into this strange and dangerous world, Emily becomes their most important asset.

Unable to trust her coworkers or her surroundings, however, Emily finds herself alone—with her very survival in the hands of a handsome stranger, Wendell Beringer. Unfortunately, Emily soon discovers that he has a few secrets of his own.

Can she trust this man or the feelings she develops for him? Only time will tell.

Follow Emily's unexpected journey, where journal entries to her deceased aunt and the powerful secrets they contain, become her only link to the life she once knew and the future she must choose to follow. *Dear Maude* is the first book of The Dear Maude Trilogy, which also includes *For the Love of Maude* and *Forever Maude*.

Historical Fiction with a
Twist!

For the Love of Maude

Time Travel | Adventure | Romance | Historical Fantasy Fiction

Hiding in history isn't the thrill Emily thought it would be—but neither is time travel. When her husband, Dell, was seriously injured in an accident meant to free her from her past, Emily is left to await his recovery alone.

Traversing time without the man of her dreams becomes a nightmare with no apparent end until her husband's younger self, Shane, arrives—handsome, arrogant, and ready to challenge Emily's feelings for a husband who might not survive his injuries.

Inspired by the memory of Maude, her beloved great-great-aunt, Emily tries to escape her new life, only to discover that she may have just risked everything for the love of Maude.

For the Love of Maude is the second book of The Dear Maude Trilogy. The first, *Dear Maude*, is the story of a college graduate, Emily Stanton, whose first job is anything but conventional. Thrust into the mysterious world of time travel, Emily learns to survive by baring her soul and secrets within the pages of a journal she addresses to her great-great-aunt, Maude, and by losing her heart in a romance that knows no boundaries, including time.

Forever Maude

Time Travel | Adventure | Romance | Historical Fantasy Fiction

Heartbroken, carrying a bag of antique coins and the heavy burden of her aunt's untimely death, Emily leaves the world of time travel and her beloved husband, Dell, behind. It doesn't take long for her youth, beauty, and valuable coins to assist her in finding a new life in the Italian nightclub scene of the 1980s.

When reunions and parallel lives once again pull at Emily's heartstrings, however, a new romance and all its problems might be her only hope for a normal life—the one she had before becoming a time traveler.

But can she ever go home? Or is her lone outlet found within the pages of a new journal—a safe haven of sorts—inspired by a woman who never changes, a woman who remains forever Maude?

Forever Maude is the third book of The Dear Maude Trilogy. The first two, *Dear Maude* and *For the Love of Maude*, follow the journey of a college graduate, Emily Stanton, whose first job is anything but conventional. Thrust into the mysterious world of time travel, Emily learns to survive by baring her soul and secrets within the pages of a journal she addresses to her great-great-aunt, Maude, and by losing her heart in a romance that knows no boundaries, including time.

Sophia

Time Travel | Adventure | Romance | Historical Fantasy Fiction

Every story has two sides.
This is Sophia's.

This novella is a companion to the multi-award winning time travel adventure series, *The Dear Maude Trilogy*.

Sophia appears to have it all—money, the right boyfriends, designer clothes, and expensive cars. But nothing good in her life ever lasts, and the sooner she can distance herself from it... the better.

Behind her affluent, shallow lifestyle and fake friends, the real Sophia lies hidden in a dark world she's fought her whole life to escape—a place she's kept secret until now. *Dear Maude*, *For the Love of Maude*, and *Forever Maude*, the books of *The Dear Maude Trilogy*, follow the journey of a college graduate, Emily Stanton, whose first job is anything but conventional. Thrust into the mysterious

world of time travel, Emily learns to survive by baring her soul and secrets within the pages of a journal she addresses to her great-great-aunt, Maude, and by losing her heart in a romance that knows no boundaries, including time.

As a companion novella to the trilogy, *Sophia* tells the story of Emily's college roommate, a young woman whose misunderstood lifestyle is even more unconventional than her friends can ever imagine and far more dangerous.

Remembering Skye

Reincarnation | Time Travel | Romance | Historical Fantasy Fiction

Are you looking for a quick trip through time?

From the multi-award winning author of *The Dear Maude Trilogy*, this novelette is a time travel romance, perfect for the in-between moments during your day.

The nightmares began in Jinny's childhood. Years later, a handsome, young therapist, Dr. Conall McCrae, offers to take Jinny to the source of her dreams.

But the doctor's methods, including past-life regression, lead Jinny on an unexpected journey from Las Vegas to the Isle of Skye, where remembering a forgotten love might be the only cure for her nightmares.

"A well written and enjoyable read that captured me from the beginning to the very end"

The Forget-Me Knot

Supernatural | Reincarnation | Romance | Historical Fantasy Fiction

Portland, Oregon, 2018.

Natalie Lane has never been in love. Twelve years after her father's premature passing, she's still caring for her heartbroken mother. Determined to avoid a similar future, Natalie focuses on her therapy practice instead of romance. But when a man claiming to be a ghost enters her office, a man only she can see, she realizes that her overworked mind might need a rest.

Fearing a nervous breakdown, Natalie goes on sabbatical to England, leaving everything behind except her cherished Celtic trinity-knot pendant... her forget-me knot. Before she can relax, however, the man appears again, stalking her throughout the British Isles.

And her problems only mount when a visit to a local pub reveals an eerie connection to a former life and love. The more she learns about her past, and her necklace's link to it, the more Natalie's much-needed vacation turns into a journey of self discovery that threatens her very soul.

Can the forget-me knot's secret help Natalie leave her past behind so she can finally find true love?

The Forget-Me Knot is a captivating standalone supernatural novel. If you like reincarnated lovers, historical fantasy, and stories drawn from real past-life experiences, you'll enjoy this enlightening tale.
